Nicci Minnick is to be commended for the excellent job of setting up the Web Site. She worked many hours on this web site and it sure paid off. Great Job Nicci.

At our September meeting we will have to vote on what maintenance package we want for our web site next year.

Lots of people complained about the Tuscobia Trail being so rough, Please remember this is a State funded Trail and not the responsibility of the Birchwood Bobcat ATV Club. Dave Tomesh just completed grading the Tuscobia Trail, which was part of a grant by the State.

Grants have been given for work on the trail from Berry Road to East Long Lake Road and also South of D, pit run and gravel were put down. Also Spider Lake Landing to Elbow Lake Road.

Would like a work day on Saturday August 22nd for the signing of the trail from Berry to East Long Lake Road. Will make a few phone calls and put a crew together for this day. Thanks to everyone who helped out at the last minute.

Next meeting we would like to work on a phone call list for work days. Anyone interested on being on this list, please contact Judy Martiny at 715-354-9933.

Barb Deutsch gave a report on the Rut Huggers meeting. Enclosed find a flyer for this event.

A little note on the Light Utility Vehicles, after Sept. 30th they will no longer be allowed on the trails until the legislature votes on the new laws on these vehicles. Check our Web site for further information on the LUV.

I will check out Land Owners files at home for information on last years landowners, invitations will be sent out after Labor Day. Watch your mail boxes for further information.

Memorial ride for all past members has been changed to October 10th. Sorry for any inconvenience in this matter.

The Town of Edgewater is working on opening all roads to ATV's. Watch the newsletters for updates on this or check out our Web site.

Barron County is also working on opening more roads for ATV use. Again watch newsletters or better yet, join us at our meetings and check out all the info.

A suggestion was made to have the ATV and Snowmobile clubs join together for our annual swap meet. There will be more discussion on this event at a later date.
We will not be participating in the Brill parade this year.

Nicci is looking for the ATV Corporation Number. Anyone with information pertaining to this contact Nicci thru our Website.

Nicci has new membership forms but found a few errors, she will have them corrected and have new ones at next meeting.

Nicci is trying to keep track of the amount of maps that are put in map boxes and what our return of monies will be. So, if you would let Nicci know how many and where the maps are placed, it would be appreciated.

Trail 31 from Sissabagama to Bridge is almost completed, just waiting for loggers to move out.

REMEMBER NEXT MEETING SEPTEMBER 17TH, 2009 AT THE CLUB HOUSE. SEE YOU THERE.

A motion was made by Roger Beffa to adjourn at 8:20 and seconded by Warren Martiny.
